Phone: (416) 623-3440

May 14, 1985

To Whom It May Concern:

Bess Roofing of Whitby recently carried out the surfacing of the flat roofs we have just had put on our new buildings here in Bowmanville. At a cost of \$287,600.00. We found this company to be very co-operative and the work carried out in a professional manner.

We were quite satisfied with the work done, and would not hesitate to recommend them for any work which you may have.
